

ENROLMENT REQUIREMENTS EDUCATIONAL SCIENCES 2023-2024

To be allowed to follow a course, you sometimes have to meet certain registration requirements. These requirements are defined in terms of pre- and/or core requirements. The requirement can be of a blocking or advised nature. There are 2 types of registration requirements in this master:

1. Blocking prerequisite
2. Advised prerequisite

Below you will find the meaning of the different types of registration requirements. View the specific enrollment requirements for your study program on this page.

BINDING PREREQUISITE

Due to certain risks and safety issues, you can only enrol in course X if you have passed, been exempted from or deliberated for course Y. It is not possible to register for courses if you do not meet the binding prerequisite.

ADVISORY PREREQUISITE

The curriculum council strongly recommends that you only enrol in course X if you have taken course Y. Although this prerequisite is not binding and it is possible to register for course X without having taken course Y, it is your own responsibility not to follow the programme's advice. This means that you do not have the required competencies.

BINDING COREQUISITE

You can only enrol in course X if you are also simultaneously registered for (or have already passed/been exempted from) course Y. In order to achieve the learning results of course X in a safe/good way, a registration for course Y is necessary. It is not possible to register for courses if you do not meet the binding corequisite.

ADVISORY COREQUISITE

The curriculum council strongly recommends that you only enrol in course X if you are simultaneously registered for (or have already passed/been exempted from) course Y. Although this corequisite is not binding and it is possible to register for course X without simultaneously taking course Y, it is your own responsibility not to follow the programme's advice. This means that you do not have the required competencies.

2MA (60 ECTS)

Title	Sem	ECTS	Blocking prerequisite	Advised prerequisite	Binding corequisite	Advisory corequisite	Additional requirements
Internship Educational Sciences	1-2	24	Educational Change and Innovation Curriculum Development	All other courses of 1MA
